Dear COSUAA Colleague,

**Past Chair:****Marvin Smith**  
University of California -  
Los Angeles

I am writing to you today to ask you to renew your institutional membership for 2021-22. Membership is by institution and comprises the chief financial aid administrator from a four-year state public-funded and controlled university with student enrollments of 10,000 or greater. Your membership fee helps offset the costs of maintaining our website and listserv administration, and supports our conference each year.

**Secretary:****Scott Miller**  
University of Virginia

Our COSUAA listserv offers you an opportunity to reach out to your colleagues for discussions, information and practical answers on financial aid issues directly related to your campus. The listserv has been invaluable as we've navigated the pandemic for the last 15 months, and will continue to serve us as we begin to return to what will be the new normal on our campuses. On a personal level, our exchanges around HEERF funds have been instrumental as we've worked to serve our students in these challenging times.

**Treasurer:****Kay Lewis**  
University of Washington

With the pandemic impacting both the 2020 Charleston, SC and the 2021 San Diego, CA conferences, our virtual presentations and discussions have been a wonderful resource. We've been able to have engaging speakers share with us, and lead us in good discussions around issues that continue to impact our work. And we're not done. We have other virtual opportunities on the calendar for this summer.

**Justin Chase Brown**University of Nebraska -  
Lincoln

Then, as we begin to see the light at the end of the pandemic tunnel, COSUAA is excited to look forward to an opportunity for us to be together again. At this time, we are planning our 2022 conference to be held on April 23-26, 2022 in San Diego, CA at the Kona Kai Resort & Spa. The location and conference agenda will be sure to offer another great professional development experience for our members. We look forward to being together, sitting around a table and exchanging ideas as we look back at our operations during the pandemic, and look towards the future, including the implementation of the FAFSA Simplification Act of 2020.

Please renew soon but no later than August 1, 2021. Thank you for your continued support of the Coalition of State University Aid Administrators.
